

## **Call For Papers**

### **2019 RCFS/RAPS Conference at Baha Mar**

Dates: Feb 15-17, 2019

Hotel: Grand Hyatt Baha Mar, Nassau, The Bahamas

Following the success of the first RCFS conference last year, the Society for Financial Studies is hosting a joint *Review of Corporate Finance Studies / Review of Asset Pricing Studies* (RCFS/RAPS) conference at Nassau in the Bahamas from February 15 to 17, 2019. This will be a high-quality conference with a limited number of papers and parallel sessions for corporate finance and asset pricing. Conference sessions will be held all-day on February 16 (Saturday) and half-day on February 17 (Sunday). Our aim is to bring together a select group of top-quality researchers to present and discuss cutting-edge papers in corporate finance and asset pricing.

The Grand Hyatt is a family-friendly luxury resort located on Cable Beach in the Bahamas, with excellent beaches and many leisure-time activities. Please see the hotel site for more details (<https://bahamar.grand.hyatt.com/en/hotel/home.html>).

**RCFS sessions:** The RCFS sessions will be arranged by the Editors (Andrew Ellul, Isil Erel, Gregor Matvos, and Uday Rajan). We welcome both empirical and theoretical papers in corporate finance. The RCFS will be experimenting with a “shorter papers” session at the conference, with papers that contain one main finding or highlight a stylized fact of interest. We encourage authors to submit such papers to the conference.

**RAPS sessions:** The RAPS sessions will be arranged by the Editors (Jeffrey Pontiff, Hui Chen, Thierry Foucault, and Nikolai Roussanov). All papers in asset pricing are welcome.

**HOW TO SUBMIT:** We invite paper submissions in all areas of corporate finance and asset pricing. On submission, you will be asked whether you are submitting to the RCFS or to the RAPS sessions. The same paper cannot be submitted to both sessions.

**Submissions will be accepted beginning September 7, 2018 and ending November 1, 2018.** There is no submission fee. Please submit your paper [using this link](#). The submitted paper must not have been accepted (or conditionally accepted) at a journal.

**DUAL SUBMISSION:** The RCFS/RAPS Conference features dual submission to [The Review of Corporate Finance Studies](#) or [The Review of Asset Pricing Studies](#), depending on whether it is being submitted to the RCFS or RAPS sessions at the conference.
