2022 RCFS Winter Conference

Dates: Feb 19-20, 2022 (Presidents' Day weekend)

Location: Margaritaville Hollywood Beach Resort, Florida

The Society for Financial Studies is hosting the fifth annual *Review of Corporate Finance Studies* Winter Conference on February 19 and 20, 2022. This will be a high-quality conference with a limited number of papers on corporate finance, financial intermediation, and household finance topics. Our aim is to bring together a select group of top-quality researchers to present and discuss cutting-edge papers in the field. We welcome submissions in all areas of corporate finance, financial intermediation, and household finance.

The sessions will be arranged by the RCFS Editors (Andrew Ellul, Isil Erel, Camelia Kuhnen, and Robert Marquez). We welcome both empirical and theoretical papers in corporate finance, financial intermediation and household finance.

Margaritaville Hollywood Beach Resort is a family-friendly, luxury resort located on Hollywood Beach, Florida, with excellent beaches and many leisure-time activities. It is located only 7 miles from the Fort Lauderdale International Airport (FLL) and 25 miles from the Miami International Airport (MIA). Please see the resort site for more details: <https://www.margaritavillehollywoodbeachresort.com/the-resort/>.

Special Session on “Finance for the Greater Good”

We plan to have a special session at the conference on the theme “Finance for the Greater Good.” At this stage, we are calling for Registered Reports on subjects related to this theme in the areas of corporate finance, household finance, and financial intermediation. Possible topics include the effects of corporations, financial intermediaries, and investors on aspects of the greater good such as quality of life (health, environmental, or psychological well-being), equality of opportunity in labor or financial markets, the building and allocation of human capital, green finance, financial literacy, or community wellbeing inside and outside of the firm. Please see our Call for Registered Reports (<http://sfsrcfs.org/rcfs-winter-conference-2022/>) for more details. After the conference, a small set of selected proposals will be granted in-principle acceptance for publication in the RCFS.

SUBMISSION DEADLINES:

Please note there are different deadlines for regular papers and for Registered Reports.

Regular papers: **November 19, 2021**

Registered Reports on “Finance for the Greater Good”: **December 5, 2021**

HOW TO SUBMIT

Please submit your paper or Registered Report using this link: <https://www.conftool.com/rcfs-winterconference-2022/>. A submitted paper must not have been accepted (or conditionally accepted) at a journal. The submission fee is US \$50 per submission.

DUAL SUBMISSION: For regular papers, the RCFS Winter Conference features dual submission to The Review of Corporate Finance Studies. Authors should indicate if they wish their paper to be considered (at no extra fee) for publication by RCFS under the Dual Submission Program. This is a “no-fault” submission option: if the RCFS reviews the paper and rejects it, the authors may submit it to any SFS journal at a later date as if it was never submitted. See <http://sfs.org/dualsubmissionpolicy/> for details.
